

# Friends for Life<sup>®</sup> Orlando 2022

July 5–10, 2022 • Disney's Coronado Springs Resort • Orlando, FL

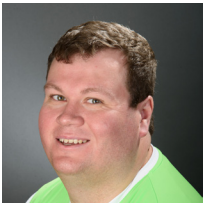

## Dear 2022 FFL Participants,

First off, welcome back! The Sports Central staff is thrilled that you'll be joining us this summer. We wanted to tell you a bit more about how Sports Central programming will be happening in 2022. We're excited to see you!

### Some important things to note about our program in 2022:

- Mask Up (if you want to). We will not be requiring masks to participate. But if you want to wear one for any reason, go right ahead. You do you and have fun doing it!
- Open Gym. We are back to our normal Open Gym, where anyone can come in any time we have Open Gym (please check the schedule for our hours). However, if you have a child 8 or under, we will need you as a parent in Sports Central the whole time. There are no drop-offs for anyone 8 or younger.
- Overall, let's have fun. As great as an altered Sports Central was last year, I am elated that we have some form of normalcy for this year.

If you have any questions, feel free to get in touch with the Sports Central Leadership, their contact information is below.

**Zach Geren (Program leader)**
